SHIPWRECKED!

Describe what your maritime archaeologists find under the sea.

Describe the object they discover in the shipwreck.

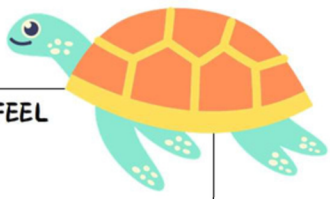

What is it like on a wooden ship? What do you...

Who are the people on your ship?

What is the reason for their journey?

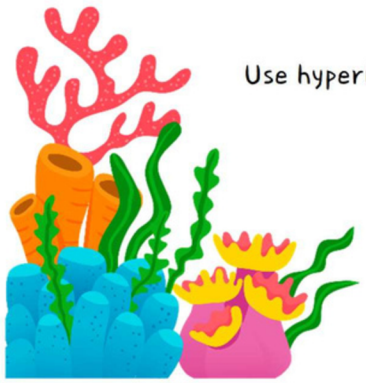

What are they going to bring with them?

Describe how your dramatic event looks, sounds, smells and feels.

Describe your characters' responses using sailing jargon.

Describe your dramatic event as if it were a human or animal.

Use hyperbole to describe how your dramatic event is getting worse.
